Change in education system

† 2736. SHRI VEDPRAKASH P. GOYAL: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether Government have any proposal to bring comprehensive change in the present education system;

(b) if so, the details thereof; and

(c) by when the final decision is likely to be taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MD. ALIASHRAF FATMI): (a) to (c) The present system of education is guided by the National Policy on Education (NPE), 1986 (as modified in 1992) which was based on an in-depth review of the whole gamut of education situation and formulated on the basis of a national consensus, enunciates a comprehensive framework to guide the development of education in the country in its entirety. The question of review the National Policy on Education has not been taken up so far.

Educational development is a continuous process. Constant efforts are made from time to time, in consultation with State Governments and other stakeholders to bring about improvements in the system to meet the emerging challenges.

At the national level, the Central Advisory Board of Education (CABE) has since been reconstituted to play a pivotal role in reviewing
